

Goodbye!

Welcome to

CAMP SOLONG

STAY to LEAVE

SUMMER CAMPS are known for their intense moments and unforgettable encounters they produce; new friends are made, old selves are tossed aside, flames are sparked and fizzle out. In short, Summer Camps are all about humans serendipitously coming together within the wildness of nature for the sake of reaching those emotional peaks of both exaltation and relaxation.

At **CAMP SOLONG** we have asked ourselves time and again: What exactly makes the stakes so high? Why do we *feel* so much at Summer Camp and how can we feel it *best*? Why does the experience stick so hard?

The answer: because it ends. Every Summer Camp starts with its end in sight, and, at that finale, every camper, every counselor, has to face this inevitable separation from something that will never be again. We've all done it, and we shall do it again... in fact, the only thing we *can* be sure of, is that there will always be GOODBYE.

g,000,000,000,000,000,oodbye!

At **CAMP SOLONG**, you will gain the priceless power of "Solonging" – the expertise of being rather emotionable, yet seeing eye to eye with your true you, including all those lumps, leaks, and tribulations. Yes, priceless indeed: It's even free!

No map, no compass needed! As one of our campers, you will be reoriented with a new sense of direction, leading you right through that entangled terrain of existence, with full acceptance.

Just imagine: As a **CAMP SOLONG** camper, you will have 3 days of laser-sharp microscopic introspection through rigorous farewell maneuvers, in unison with your fellow campers. We offer a vast playing field for emotion-diving and temporary belonging; a perfect scenario to rehearse your own nature within nature.

Don't Hold Back - You Won't Be Alone in Saying Goodbye!

"Wise is he who enjoys the show offered by the world."

– FERNANDO PESSOA

Where "GOODBYE'S" . . .

. . . become "WHATEVER'S"

At **CAMP SOLONG**, we have tailored a program which makes use of the potential condition of the Farewell. Recognizing it as the most essential experience of not just Summer Camp, but existence at large, our three-day summer camp program is stacked full with around-the-clock fun and relaxing activities and contemporary methods that simulate and prepare our campers for their inevitable and eventual departure from Camp. Through guided exercises and games, like these listed below, you will be given the chance to sift through the entire “goodbye - universe” in all of its stinging colors.
